

Completed 2009-2017

City-County Building	
	LED Lighting RM 326
	Cooling phase 1-4
	LED Lighting Parking Lot
	Replaced radiator control valves
	Replaced/Recalibrated room thermostats
	Retrofitted both boilers with new controls
	Sealed exterior doors (Envelope Upgrades)
	Sensor Control Flushometers on Urinals
	Electric Mail Delivery Vehicle
Fire - Main Station	
	T5 Fluorescent lighting upgrade apparatus floor 2013
	Grundfos (highest EE) heat system pump 2014
	LED Lighting basement weight room 2017
	New AC Condensor Coil
	Replaced Large Air Compressors with Smaller Energy Efficient Air Compressors 2017
	Window Replacement Weight Room (envelope upgrade)
Fire - Eastside	
	T5 Fluorescent lighting upgrade apparatus floor 2013
	Replaced garage doors with insulated garage doors (envelope upgrades) 2013-2016
	LED Exterior Lighting Upgrade
	New AC Condensor Coil
	Energy Star Microwave, Dishwasher, Refrigerator, Stove (replacement)
Capital Transit	
	High efficiency heating and cooling systems (new bldg 2009)
	Energy Star Microwave, Garbage Disposal (replacement)
	Computer Heat Controls Updated 2017
City Shop	
	T5 Fluorescent lighting upgrade 2013
	Grundfos (highest EE) heat system pump 2015
	Grundfos (highest EE) heat system pump 2016
	Replaced garage doors with insulated garage doors (envelope upgrades) 2011-2016
	Upgrade boiler controls 2017
	Installed fans to bring heat down lower
	Extended Distribution Waste Oil Burner
	Air Compressor Heat Control Dryer
Neighborhood Center	
	Grundfos (highest EE) heat system pump 2017
	Grundfos Boiler Circulating Pump
Civic Center	
	Grundfos (highest EE) heat system pump 2017
	Grundfos (highest EE) heat system pump 2017
	LED Lighting upgrade w/ occupancy sensors ballroom mezzanine 2014
	LED Lighting upgrade auditorium stage 2016
	Generator replacement 2017

Seal exterior doors (envelope upgrades)

Completed 2009-2017

Civic Center (continued)	
	Energy Star Washing Machine (replacement) 2017
	Energy Efficient Commercial Freezer (replacement) 2016
	Window Replacement Ballroom (envelope upgrade)
	Sensor Control Flushometers on all Toilets & Urinals
Chamber Bldg	
	Hot Water Heater Replacement
Utilities Bldg	
	LED Outdoor Lighting upgrade 2015
	LED lighting upgrades 2 phases 2015/2016
	Hot Water Heater Replacement
Transfer Station	
Parks Maint Bldg	
	LED Lighting large areas 2016
	New AC Compressor 2017
	Replaced heater with new Energy Efficient heater
Police Storage	
	Replaced heater with new Energy Efficient heater
Solid Waste Truck Garage	
	T5 Fluorescent lighting upgrade

Current and Future Projects
